MEDICAL.

**If it were possible**

to get the testimony of the multitude who have used Hood's Sarsaparilla for debility, languor, lassitude, and that general feeling of stupidity, weariness and exhaustion which every one feels during this season, we should be able to present to our readers such an overwhelming mass of commendatory messages, that few who have not tried it would do so at once. It is a positive fact, and has been so effectually demonstrated that no one today denies it, that Hood's Sarsaparilla contains more real medicinal value than any article before the people.

DR. C. L. HOOD &amp; CO., Lowell, Mass.

Dear Sirs—I have suffered from kidney complaint and biliousness, and

have tried everything and never got any good. Last January, before I commenced taking Hood's Sarsaparilla, I had all my aches and pains gone, and

got up without difficulty and never fainted again. Every morning I was obliged to lie down on the lounge. To do any work seemed almost impossible. I have taken Hood's Sarsaparilla since, and my chest and arms, and that feeling of intense weariness are all gone. I can eat anything and it does not press me at all. You just let me recommend Hood's Sarsaparilla, and hope all who desire to know anything about it will come to me, and ask what I think of it. Very truly yours,

JONATHAN J. CORNUE.
